Accelerating Power to WinSM

A Supplement for Exhibition Swine, Sheep, Cattle, Horses, and Goats

Product Positioning

MoorMan's ShowTec Fast Fuel is a unique top-dress supplement for exhibition swine, sheep, cattle, horses, and goats designed to be fed during key feeding periods. It provides nutrients believed to be beneficial to performance of exhibition livestock and horses. Components of ShowTec Fast Fuel encourage a healthy appetite and yield a smooth, well-defined body condition along with glossy hair coat. ShowTec Fast Fuel can be used to accelerate condition, growth, and finish of exhibition livestock and horses to achieve full genetic potential.

Fast Fuel gives Exhibition Livestock the "Finishing Touch" for a Championship finish.

Features

Wheat germ

Heat stabilized rice bran

Natural-source vitamin E

Prospanse™ yeast

Methionine

Cobalt glucoheptonate

Vitamin B12

Thiamine

No additives, no preservatives

Mini-pellet form

Benefits

Provides a source of octacosanol, which may provide beneficial advantages such as better blood oxygen carrying capacity to body tissues, supporting endurance, stamina, and muscle condition and strength.

Rice oil – Provides a readily available, highly digestible source of energy conducive to natural functioning of the gastrointestinal tract; energy, in the form of oil, supports body condition and hair coat condition

Gamma oryzanol – Potent antioxidant supports development of lean muscle mass.

Omega 3 fatty acids – Provides essential fatty acids; needed for proper functioning of the immune system.

Research shows natural-source vitamin E has more potent antioxidant activity compared with synthetic vitamin E; antioxidant properties counteract harmful free radicals produced within the body; helps maintain cell membrane and tissue integrity; needed for proper functioning of the immune system.

Provides essential micronutrients to enhance feed palatability and maximize digestion.

Beneficial effect on hair coat.

Source of cobalt, which is essential in the formation of red blood cells; may enhance fiber digestion, making energy utilization by the animal more efficient.

Essential in the formation of red blood cells and is a component of some critical enzymes.

Enhance appetite.

No withdrawal.

Easy and convenient to feed; reduces feed waste.

Product form: Mini-pellet form, 25-lb bag (I I 850AAAE6)

How much is needed:

- Show Pigs: 4–6 oz/hd/day
- Show Lambs and Show Goats: 4 oz/hd/day
- Show Calves: 8 oz/hd/day
- Show or Performance Horses: 8–12 oz/hd/day

Guaranteed Analysis

Crude Protein, min.	33.0%
Lysine, min.	2.0%
Crude Fat, min.	6.0%
Crude Fiber, max.	5.5%
Calcium (Ca), min./max.	1.0–1.5%
Phosphorus (P), min.	0.8%
Potassium (K), min.	1.2%

Vitamin B ₁₂ , min.	1,000 mcg/lb

Ingredients

Wheat Germ Meal, Dehulled Soybean Meal, Brewers Dried Yeast, Cottonseed Meal, Heat Stabilized Rice Bran, Calcium Carbonate, Lignin Sulfonate, DL-Methionine, d-alpha Tocopherol Acetate, Vitamin B₁₂ Supplement, Cobalt Glucoheptonate, Thiamine Mononitrate.

Feeding Directions

MoorMan’s ShowTec Fast Fuel is a top-dress supplement designed to be fed during key feeding periods at the following rates: Feed 4 ounces per head per day for show lambs and show goats, 4 to 6 ounces per head per day for show pigs, 8 ounces per head per day for show calves, or 8 to 12 ounces per head per day for show or performance horses.

NOTE: ShowTec Fast Fuel is not a complete feed. It is designed to enhance a nutritionally balanced diet formulated to meet each species’ requirements. ShowTec Fast Fuel is not designed to be used as the sole source of supplemental energy, protein, vitamins, and minerals; and should be fed according to the recommended feeding rates.
