

MoorMan's® ShowTec® RumaFill™

Product Number
81080AAA

A Supplement for Beef Cattle, Kid Goats, and Lambs Being Fed for Exhibition

Product Positioning

MoorMan's ShowTec RumaFill is a high-fiber supplement for show ruminants — cattle, lambs, and kid goats. RumaFill is formulated to provide roughage ingredients, such as beet pulp, to create a “full look” and enhance expression. RumaFill should be used for holding situations when the show animal's “full look” and “capacity” need to be maintained on restricted intake of complete show feed or complete grain mix. RumaFill is not a complete feed and should be fed with the appropriate ShowTec ruminant feed.

Features

High-fiber content
Beet pulp
Flexible usage
Ammonium chloride
Pellet form

Benefits

Increases gut fill to give show animals a “full look.”
Shown to be very absorptive, which creates gut fill.
Can be used in diets of show calves, show lambs, and show goats.
Has been shown to provide some protection against the likelihood of urinary calculi in male sheep and goats.
Easy and convenient to feed; reduces feed waste.

Recommended consumption:

- Show calves weighing more than 500-lb: 2–5 lb per head daily
- Show lambs and show goats weighing 70-lb or more: 0.5–2 lb per head daily

Product form:

- 3/16 pellet form in 50-lb bag (81080AAA24)

Guaranteed Analysis

Crude Protein, min.	8.5%
(This includes not more than 0.75% equivalent crude protein from non-protein nitrogen.)	
Crude Fat, min.	1.0%
Crude Fiber, max.	25.5%
Calcium (Ca), min./max.	0.35–0.85%
Phosphorus (P), min.	0.05%
Potassium (K), min.	0.75%

Ingredients

Roughage Products, Dehydrated Alfalfa Meal (With Ethoxyquin-A Preservative), Molasses Products, Animal Fat, BHT (A Preservative), Ammonium Chloride, Artificial Flavor.

Feeding Directions

ShowTec RumaFill is a roughage supplement designed for beef cattle, kid goats, and lambs being fitted for show. Feed at the rate of 2 to 5 lb per head per day to cattle weighing over 500 lb. Feed at the rate of 0.5 to 2.0 lb per head per day to kid goats and lambs that are 70 lb or over. This product is not a complete feed and must be fed with a complete show feed or complete grain mix to provide a complete diet. Feed salt or a salt-containing mineral free choice.

NOTE: Do not feed to swine.

Always provide clean, fresh water to animals at all times. Animals should be kept parasite free and current on all vaccinations and/or medications recommended by your veterinarian.

CAUTION: This feed contains a source of non-protein nitrogen. The equivalent protein supplied by non-protein nitrogen should not exceed $\frac{1}{3}$ of the crude protein of the total ration. Use only as directed. For ruminants (cattle, sheep, and goats) only.
