INGREDIENTS

Monocalcium Phosphate, Calcium Carbonate, Processed Grain By-Products, Salt, Magnesium Oxide, Molasses Products, Vegetable Oil, Manganous Oxide, Zinc Oxide, Iron Oxide, Vitamin A Supplement, Vitamin D₃ Supplement, Sodium Selenite, Basic Copper Chloride, Ethylenediamine Dihydroiodide, Artificial Flavor, Vitamin E Supplement, Cobalt Carbonate.

FEEDING DIRECTIONS

This product is formulated for grazing beef cattle on pasture or range. When starting to feed, remove salt and self-feed this mineral. Feed continuously near the cattle's source of water. Recommended consumption is 4 ounces per head per day.

If consumption is more than recommended, feed salt in addition to this product. If consumption is less than recommended, make sure no other source of salt is available and increase the number of feeding stations, or relocate to areas more frequented by cattle.

CAUTION: Consumption of this product by sheep and goats may result in copper toxicity.

NOTE: To be fed as the sole source of selenium. Beef Cattle should not receive more than 3 mg selenium. When mixed, rations should not contain more than 0.3 ppm selenium.
